

## RAGS TO RICHES

... by Gatorcat

### TOWNSFOLK

-  **Washerwoman** You start knowing that 1 of 2 players is a particular Townsfolk.
-  **Empath** Each night, you learn how many of your 2 alive neighbours are evil.
-  **Chambermaid** Each night, choose 2 alive players (not yourself): you learn how many woke tonight due to their ability.
-  **Savant** Each day, you may visit the Storyteller to learn 2 things in private: 1 is true & 1 is false.
-  **Artist** Once per game, during the day, privately ask the Storyteller any yes/no question.
-  **Nightwatchman** Once per game, at night, choose a player: they learn who you are.

### OUTSIDERS

-  **Snitch** Minions start knowing 3 not-in-play characters.
-  **Drunk** You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

### MINIONS

-  **Marionette** You think you are a good character but you are not. The Demon knows who you are. [You neighbour the Demon]
-  **Baron** There is an extra Outsider in play. [+1 Outsider]

### DEMONS

-  **Sphinx** Each night\*, choose a player: they die. If you die (ending the game), publicly guess all players' characters. If you are correct, evil wins.

\* \* \*

### FABLED

-  **Bootlegger** This script has homebrew characters or rules.
